Dear Students and Guests of Acapulco,

On behalf of Bianchi-Rossi Tours Inc. and the Acapulco Destination Marketing Office, thank you for your recent inquiry regarding the safety of 'spring break' travel to Acapulco, Mexico.

I am pleased to report that according to a recent agreement signed by officials of the Acapulco City Hall, the Guerrero State Government and the Mexico Attorney General, substantial efforts are being made to ensure the safety of students and all travelers to Acapulco during the 2009 "spring break" vacation period.

The Secretary of Tourism in Guerrero State, Ernesto Rodríguez, has explained the scope of this agreement and its implications by indicating "It's particularly significant to note that all three levels of government are working in close alliance to enhance security efforts for the more than the 22,500 American students that are expected to spend their spring break holiday in Acapulco."

Furthermore, Mayor Manuel Añorve Baños has committed to double the city's resources and efforts to ensure that all tourist areas within the city remain clean, well lit, and safeguarded by law enforcement authorities.

General Serafín Valdés Martínez, Secretary of Highway Safety, also confirmed that the police will provide security for our streets and beaches around the clock in three shifts and in coordination with the Mexico Attorney General and the Secretariat of Public Safety.

The office of the Consular in Acapulco is located at the Hotel Emporio, Costera Miguel Aleman 121 - local 14, and can be reached by telephone at 011 (52) (744) 484-0300 or 011 (52) (744) 469-0556.
